[Click here or the title to see the project](#)

[Click here or the title to see the project](#)

### Clothing Shop

06/2022 - 10/2023

One of the largest projects that I have ever made | **React, Redux, TypeScript, Firebase, PWA and Responsive** | Supported by firebase backend and with high web performance.

### Sneakers Shop

11/2022 - 06/2023

One of the biggest projects that I made | **React, Redux, Firebase, and Sass** | smoothly working and pretty-designed web app.

### Space Tourism

01/2023 - 02/2023

Mainly in this project I used **HTML, Sass, and JavaScript** | **Responsive Leading, Grid, Flex Sass** | I worked with difficult layouts.

### Shorten Url

01/2023 - 02/2023

Web page is fully functional, well-designed page with working shortening input and smooth scroll animation in navigation. Tools: **Tailwind-CSS** | **Reactjs** | **TypeScript**

## NOTES

I showed some projects which I have completed or contributing recently. To find out more information and projects visit my web site, GitHub or LinkedIn profile, **See you!**
